

Updating ORCID with Mendeley

You can populate your ORCID profile if you have an existing Mendeley profile.

1. Sign in to your [Mendeley profile](#)
2. Click on your name to display your profile
3. Under Other IDs, select **Create or Connect your ORCID iD**
4. You will be asked to authorize data exchange
5. Your ORCID will appear in your Mendeley profile and a link to your Mendeley profile will appear under **Websites** in your ORCID profile
